

September 14-16, 2018

A Word of Welcome...

I'd like to personally welcome each of you to the Positive Living Conference. It's an exciting time for OASIS Florida as we as an agency continue to grow and adapt, remaining motivated and responsive. While faced with many challenges over the past 12 months, we have been blessed with even more wonderful opportunities: a new mobile outreach, education and testing vehicle (parked at the entrance to the resort throughout the weekend); selected as official beneficiary of the 2018 Florida AIDS Walk; and thrilled to have been awarded grants from numerous local, regional, and international foundations. Also, although officially retiring last December, we are fortunate to have Butch McKay, founder of Positive Living, continue to serve as director of the conference.

It is such a pleasure to welcome back so many returning attendees, and for those of you joining us for the first time, I hope you will take advantage of the weekend to experience all that is Positive Living, more than just a conference focusing on HIV/AIDS issues, but a variety of current, what I call "life topics" ranging from the opioid crises in our communities, veterans' affairs, management of our personal finances, stigma, domestic abuse, the importance of your vote (and therefore your voice), and many more. We've incorporated a yoga practice for you early risers and will again host our karaoke night for the night owls, plus a very special evening of dance, laughter and love featuring the infamous Armorettes. We guarantee you a weekend filled with valuable information, uplifting support, and wonderful memories both new and old.

Finally, I would like to say a very special thank you to all of this year's vendors and corporate sponsors of Positive Living 21. It is because of their participation and generosity that we continue to keep the conference going year after year. Throughout this conference, I ask you to stay engaged, visit with all vendors and attend the workshops and presentations offered on Saturday and Sunday, while enjoying the fantastic amenities of The Island Resort and the beautiful beaches and hospitality of the Emerald Coast.

On behalf of the Staff and Board of Directors of OASIS Florida, again, we welcome you and are so excited you have chosen to be here.

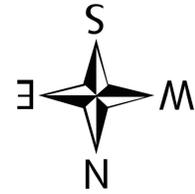

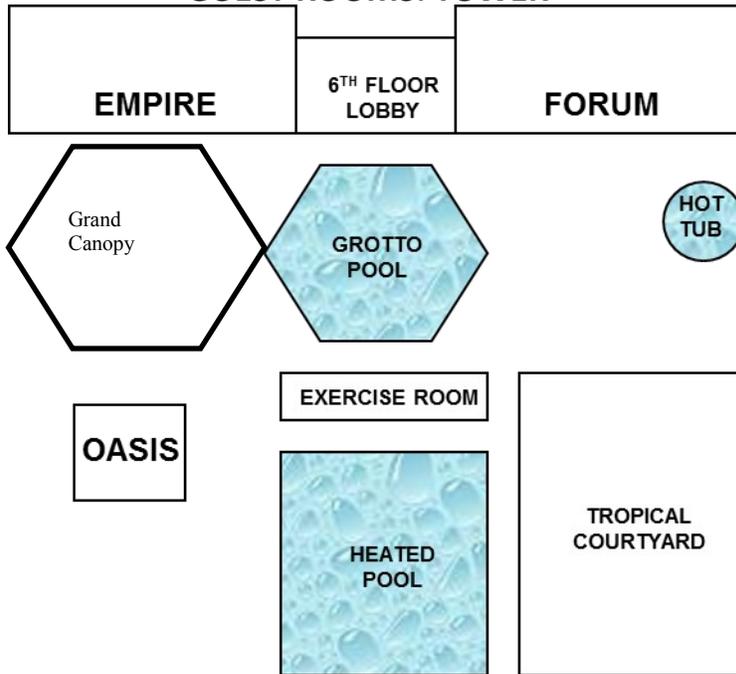

William Bedwell

GUEST ROOMS: TOWER

GUEST ROOMS: WING C

GUEST ROOMS: WING B

GUEST ROOMS: WING A

For those arriving early we will be providing a hospitality room with light refreshments on Friday beginning at 3:00pm under the Grand Canopy. We also hope that you will use this free time to enjoy our beautiful beach and hotel pools.

There will be a 12 Step Support Group Meeting on Saturday at 5:30pm in the Fiji Room.

Condoms and lube, Sharps disposal container, First Aid kit, and Lost and Found can be located at the registration/information desk at the 6th floor lobby.

You may leave your name badge holder at the registration desk for use next year.

WEAR NAME BADGE: *You will be required to wear your name badge to enter into meals.*

ARRIVE ON TIME: *Late arrivals into workshops will distract others in the room, and you will miss out on great information. Breaks have been scheduled to allow you to take care of personal needs outside of workshop times.*

SILENCE YOUR PHONE: *Return any calls during the scheduled breaks that are provided. If you must take a call please leave & return QUIETLY as soon as possible to workshop.*

HONOR YOUR PLACE: *Don't skip out. There were others who wanted to attend but we could not accommodate. Respect the opportunity that has been made available to you by attending each session. There is time to enjoy the beach and pools on your free time.*

COMMIT TO STAY: *Don't leave early. Each workshop is designed to last for it's entire time. Leaving early distracts others, and you will miss out on great information. If you must leave, please close the door QUIETLY.*

TAKE ONLY YOUR FAIR SHARE OF FOOD: *Please make sure everyone has an opportunity to get their share to eat. Be mindful that a reasonable amount of food has been ordered, when it is gone, it's gone.*

CLASS ROOMS AND GUEST ROOMS ARE NON-SMOKING: *ALL indoors spaces are smoke free at this hotel...*

INCLUDING YOUR ROOM. *Please smoke outside during scheduled breaks and free time, NOT WHILE WORKSHOPS ARE GOING ON.*

ROOM ASSIGNMENTS ARE MADE BY HOTEL: *IF YOU REQUESTED A ROOM MATE ON YOUR APPLICATION, every effort was made to match you up. A change of room after arrival may not be possible.*

HAVE A QUESTION?: *The registration desk may be able to help, but PLEASE check your program first.*

Remember the complete schedule is in your program and posted outside each classroom.

The Martin Delaney Power of One Award

Activist, leader, public health hero. There are few people who have had a greater impact on HIV/AIDS health policies than Martin Delaney. From the time HIV was recognized as a public health threat in the early 1980s and leading up to his death in 2009, Delaney worked tirelessly as an educator and advocate for HIV/AIDS patients. Delaney was internationally recognized for his work to change domestic health policy by expediting FDA review and approval of HIV/AIDS therapies. Successfully lobbying for a fast-track approval process, he played a key role in significantly reducing the time it takes for new and emerging drugs to reach the hands of patients. His efforts likely led to thousands of lives being saved. He served on numerous public health policy groups including the NIAID AIDS Research Advisory Committee (1991-1995), NIAID's National Advisory Allergy and Infectious Disease Council (1995-1998), Fair Pricing Coalition, Board of the Foundation for AIDS. Delaney founded Project Inform in 1985 and served as its Director until 2008. Based in San Francisco, the organization continues to raise public awareness and lobby policy makers on HIV/AIDS issues. Martin, or Marty as we at Positive Living referred to him was a larger than life champion of the Positive Living Conference serving as our keynote speaker for every conference except

one up until his death. The only conference he missed was when he suffered a heart attack two weeks prior to the conference and his doctors would not allow him to travel. Marty loved Positive Living and often expressed his preference for it. He spoke at hundred of conferences around the world, but according to him none compared to Positive Living. Marty explained it this way. "I have never seen people so hungry for information and so appreciative to receive it". He connected with everyone. The last time Marty was to present, we had spent a year in planning a workshop around his life. The workshop was going to be called "The Power of One". His life was the perfect example of how one person could make a big difference. Major news stations were scheduled to cover it planning to make a documentary of his life and his contributions to the HIV/AIDS movement. Marty was not HIV positive, but he dedicated his life to the movement in honor and respect of his many friends who were living with or who had died from complications of HIV/AIDS. A few months prior to Positive Living 12, Marty took ill with hepatitis and passed away. We were heart broken and during the conference held a moving memorial to Marty and named an award after him that would be presented annually at Positive Living. ***The Martin Delaney Power of One HIV/AIDS Advocacy Award*** honors the contributions of a single advocate who has gone beyond the call of duty in advocating on behalf of the HIV/AIDS community. We feel Marty would be humbled by this tribute to him, and we feel honored to have known and loved such a great humanitarian and educator. His spirit lives on in each of us.

The Armorettes

The Armorettes are a legendary lamp drag organization that have been around for over 39 years and counting, and raising over 2.20 million dollars in the 39 year period - one dollar at a time. The Armorettes' namesake comes from where they started and the tale began, at the Armory Bar in Atlanta, GA. The original Armorettes were Thelma, Julie Garden, Justa Tish, Kitty Carlisle, Ginny Tonic and Liz Helen. These original six stepped up for the community during a very dark time in the late 70's and early 80's, when the AIDs epidemic was becoming more and more rampant and out of control. They decided enough was enough and if no one was going to help their community, they would step up and do so. So they decided to put on drag shows at the Armory in Atlanta, GA in order to raise money for their friends who were sick and dying from AIDS. Every dollar they took in was immediately turned around and put to good use by distributing the money to those in need. The Armorettes have always stepped up and done what is right and more importantly what is needed for the community and will continue to do so till a cure is found.

YOU COULD ATTEND FOR ONLY \$10!!!

About Us

David Neal was diagnosed with AIDS in 1989 at the age of twenty four. He returned home to Okaloosa County in 1991 to be near his family. David soon discovered a need for support and services for persons with HIV and their families. A dream was born to fulfill those needs. David spent the last year of his life pursuing this vision, seeing his dream become a reality. Working from the kitchen table and out of the trunk of a car, David, his mother, and a circle of close friends created Okaloosa AIDS Support & Informational Services, (OASIS), a non-profit HIV/AIDS community based service organization that continues to provide needed services to those infected and affected by HIV/AIDS. David died in 1992. His dream remains alive today with our volunteers.

David Neal, Founder
1965 - 1992

OASIS is the leading provider of HIV/AIDS education and prevention efforts in the four north-west counties of Florida (Okaloosa, Escambia, Santa Rosa, and Walton). Some of these offerings include:
